

An educational game for children about sustainable development.

1st CONTEST – BEING ECO-FRIENDLY

The aims of the contest are:

- to raise children's interest in STEM,
- to promote ecological behaviours and attitudes,
- to gain and deepen knowledge of ecology and environmental protection,
- to motivate children to take an active part in environmental campaigns and actions,
- to promote activities aimed at environmental protection,
- to demonstrate creativity and creative approach to the topic,
- to promote fair competition and cooperation in a good cause,
- to develop children's talents.

Contest terms and conditions

1. The contest involves submission of posters showing children's actions to protect the environment and support sustainability, and to promote eco-friendly behaviours and attitudes among young people.
2. Posters should be made in groups, not by individuals.
3. Technical aspects:
 - posters must be original designs,
 - posters must have a flat form (two-dimensional),
 - format – not smaller than A4 and not bigger than A3,
 - paper used for the poster may be white or coloured,
 - using ready-made drawings, sketches or stencils is forbidden.
4. The contest starts in November 2019 and closes in January 2020.
5. The posters must be submitted via the Colourful World website – www.colourfulworld.eu
6. The winning poster will be announced on the Colourful World Facebook page in March 2020.
7. There will be a surprise prize for the winning poster!
